Export to PDF, Excel & CSV Download financial and inventory reports in formatted spreadsheets and PDFs.	PDF Only	✓	✓	✓

স্মার্ট বিজনেস সলিউশন

3 কেন আধুনিক ব্যবসায়ীরা YES SME বেছে নিচ্ছেন?

কাগজ-কলম, একাধিক বিচ্ছিন্ন সফটওয়্যার ও এক্সেলের জটিল হিসাব বাদ দিয়ে আপনার পুরো ব্যবসার সমস্ত অপারেশন আনুন একটি মাত্র সেন্ট্রাল প্ল্যাটফর্মে।

রিয়েল-টাইম স্টক ও সেলস সিঙ্ক

দোকানের কাউন্টারে পণ্য বিক্রি হওয়ার সাথে সাথেই ইনভেন্টরি থেকে স্টক কমে যাবে, অ্যাকাউন্টিংয়ে স্বয়ংক্রিয় ভাউচার পোস্ট হবে এবং অনলাইন স্টোরে লাইভ স্টক আপডেট হয়ে যাবে।

জিরো-ডাউনটাইম অফলাইন POS

বিদ্যুৎ বা ইন্টারনেট চলে গেলেও আপনার দোকানের বিক্রি বন্ধ হবে না। ইন্টারনেট ছাড়াই দ্রুত বারকোড স্ক্যান, ক্যাশ মেমো তৈরি ও প্রিন্ট করা যাবে; নেট সংযোগ ফিরে এলে সকল ডাটা অটোমেটিক সিঙ্ক হবে।

সম্পূর্ণ দেশীয় ইন্টিগ্রেশন

বাংলাদেশের ব্যবসার বাস্তব চাহিদামাফিক বিকাশ ও নগদ পেমেন্ট, পাঠাও, স্টিডফাস্ট ও রেডেক্স কুরিয়ার ট্র্যাকিং এবং দেশীয় মুদ্রায় (BDT ৳) স্বয়ংক্রিয় হিসাবের সুবিধা।

বাংলায় এআই (AI) বিজনেস ইনসাইট

সহজ বাংলায় প্রশ্ন করেই জেনে নিন ব্যবসার সার্বিক অবস্থা—যেমন: "আজকের মোট লাভ কত?", "কার কাছে সবচেয়ে বেশি বকেয়া?"। এক্সেল শিট খোঁজার ঝামেলা ছাড়াই চোখের পলকে সঠিক উত্তর।

সেলস টার্গেট ও কমিশন অটোমেশন

বিক্রয়কর্মীদের ব্যক্তিগত টার্গেট নির্ধারণ, পারফরম্যান্স ট্র্যাকিং এবং টিয়ার-ভিত্তিক সেলস কমিশন স্বয়ংক্রিয়ভাবে হিসাব হয়ে সরাসরি মাসিক পে-রোলে যুক্ত হবে।

নিজস্ব ব্র্যান্ডের মোবাইল অ্যাপ

আমাদের Medium ও High প্যাকেজে আপনার নিজস্ব ব্র্যান্ডিংয়ে ডেডিকেটেড Android এবং iOS মোবাইল অ্যাপ অন্তর্ভুক্ত, যা আপনার কাস্টমারদের আধুনিক কেনাকাটার সেরা অভিজ্ঞতা দেবে।

4 Implementation, Security & Support Terms

Onboarding & Data Migration

Our technical team assists with product catalog uploads, opening stock entries, customer balances, and thermal printer setups within 24–48 hours of onboarding.

Cloud Reliability & Backups

99.9% uptime SLA hosted on AWS and enterprise VPS infrastructure. Automated daily offsite backups with instant one-click data restore capabilities and full SSL encryption.
